The **Moderate Setting** contains the following differences as compared to the Conservative:

New River X - Same
Cherry - Same
River Bend - Same, but also looks for a false move against the trend, and signals the
opposite direction to take advantage of the large retracement that typically follows a false
move.
Lamb End - Same
RCU - Will be the same
R1 - Same

The **Liberal Setting** contains the following differences as compared to the Conservative:

New River X - No Confirmations are made resulting in lots of signals
Cherry - Same
River Bend - Any and All directions regardless of trends
Lamb End - Same
RCU - Will be the same
R1 - Same
